**TROJAN WARS TOURNAMENT:** Profit of \$5640.00. Discussed plans for next years tournament....Marketing....Tournament dates....Acquiring volunteers...

\*It was suggested that on Day 1 of the tourn., weigh -ins be bumped up and wrestling begin at noon...this would eliminate hotel stays for some schools.

\*Possibly do a team rotation for table help...each participating team designates helpers for a two hour time period each day of the tournament.

\*We will return the wrestlers Accolades to the HS coaches

\*Entry cut-off at 32 teams for each MS and HS

Many thanks to everyone who helped and volunteered their time. It is greatly appreciated!!! There were many positive remarks and comments from parents, coaches, and wrestlers.

**VINETTE:** Concession went well during Trojan Wars. Was helpful to have the screen set up. Music was too loud at times.

Requested to have youth contact person for concession during youth home matches. This person would "manage" concession and assist with duties as needed. Irene Jamison was asked and agreed to this position.

**DAVE PECK**: Will send email to participating teams to get feedback about dates for next years tournament and each team providing table help.

Thanks to everyone for helping and working hard at the tournament!!

**DOUG RINE**: Thank you to everyone for helping with the tournament...Not only does it boost the appearance of our program, but helps to strengthen and build it!!!

**CRAIG HIGHT**: Has 17 kids participating in PHILO. All arrangements are made. Brian Nichter will get waivers and medical release forms handed out.

**JASON DAVENPORT**: Gettysburg duals set-up and registration paid. Scale needed for LHWC for youth program....Coach Rine has one for the taking. Discussed youth program moving towards increasing their duals participation starting next year. Possible wrestle offs every two weeks...2x/week league practice would continue but the duals team would have a mandatory 3<sup>rd</sup> weekly practice...Duals team would focus on duals tournaments more so than league matches...Will discuss more details at future booster meetings.

Next Booster Club Meeting scheduled for February 2, 2015 @ 6:15pm at the High School.
